The Excela Low Price Guarantee

We will save you money on what you currently pay for merchant services. Guaranteed.

If Excela cannot save you money on your current merchant services processing costs, we will send you a \$100 Visa Gift Card with no strings attached. Simply provide us with a copy of your last merchant statement and contract; we will do the rest.

Call 866-860-4888 or your local Excela Representative today to learn more.

Excela is built on the principles of integrity, value and the relationship we forge with each and every one of our clients.

We provide low-cost, straight-forward and easy-to-understand pricing. Our rates are free of the gimmicks, hidden rates and junk fees common with the competition.

Excela believes that the keys to building long-term relationships are trust and value. Let our trained consultants demonstrate the savings that we will provide your business.

What do you have to lose? Either you save money on the services your business already use or you get a \$100 Visa Gift Card.

Excela. For Everything Business.
